Product style diagram

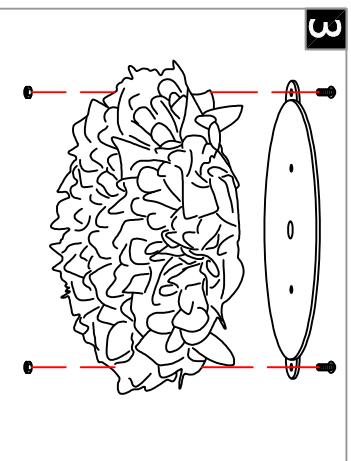

Steps of installation

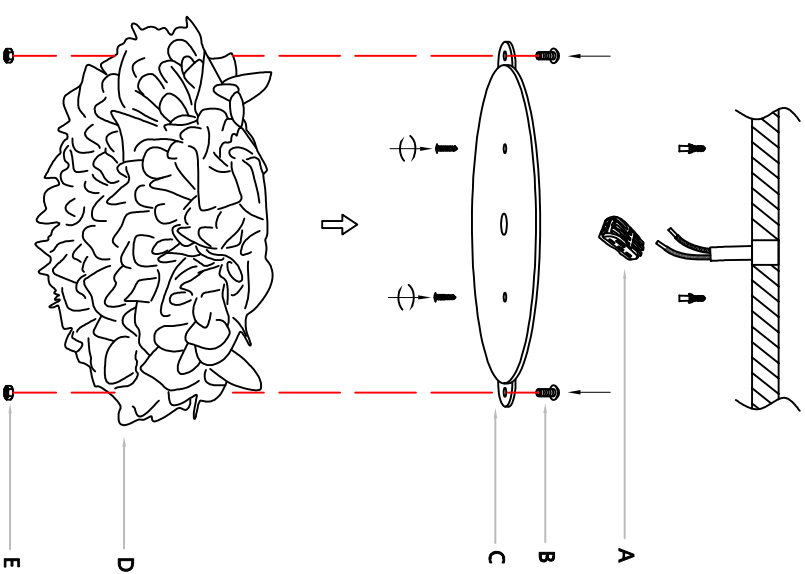

Connect the wires inside the luminaire and ceiling to the terminal, usually neutral wire (white), hot wire (black)

Place the screws on the mounting plate, then use self-tapping screws to install the mounting plate onto the ceiling.

align the holes on the decorative lampshade with the holes on the mounting plate, and then tighten the screws with nuts.

Place the screw (B) on the mounting plate (C), then use a self-tapping screw to install the mounting plate (C) onto the ceiling. Next, align the holes on the decorative lampshade (D) with the holes on the mounting plate (C), and then tighten the nut (E) onto the screw (B).
