

Warning:

This product must be installed by personnel who are familiar with its structure and related hazards, in accordance with the installation specifications. This product is suitable for indoor installation.

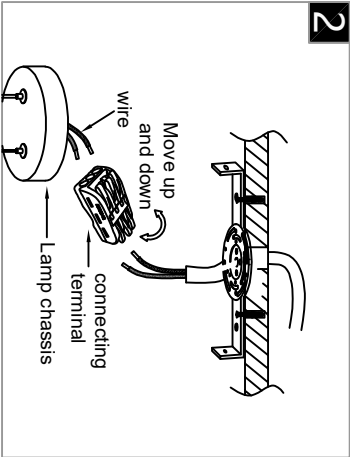

Product style diagram

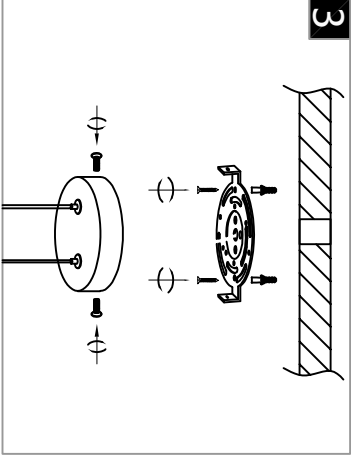

Steps of installation

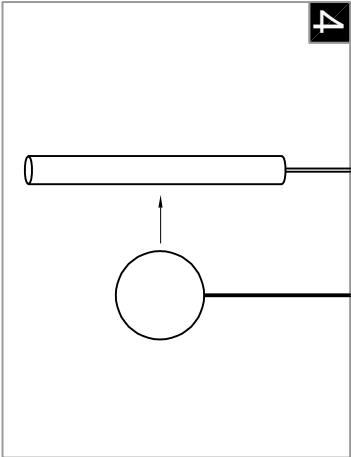

Fix the installation plate to the ceiling.

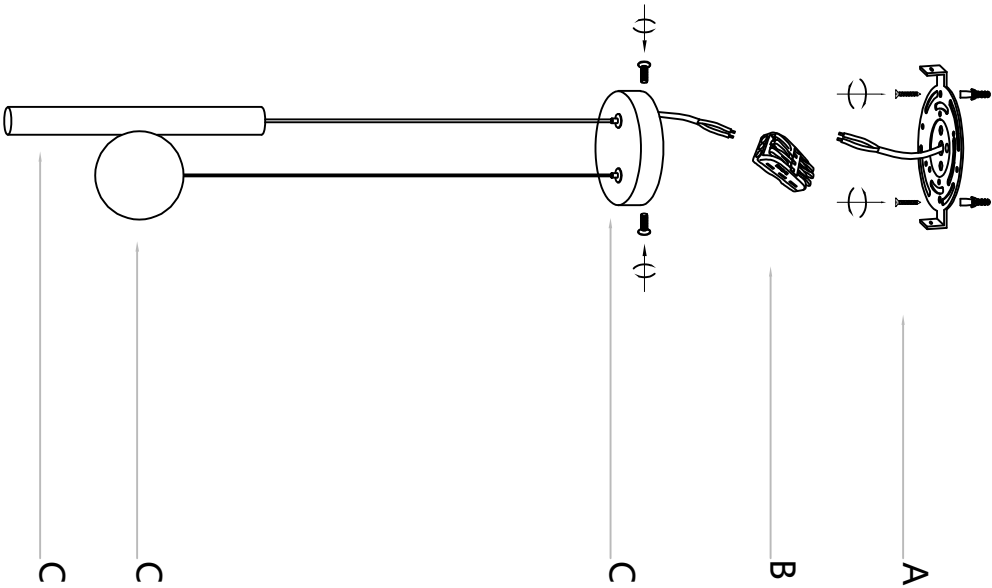

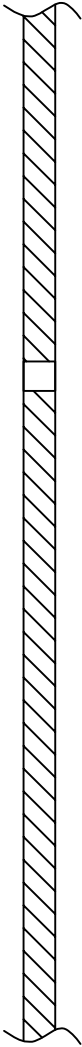

Connect the wires on the top cover to the wires on the ceiling and the terminal block.

Align the holes on the top cover with the holes on the installation plate, and tighten the screws.

Attach the magnet to the spotlight.

First, fix the mounting plate (A) to the wall. Next, connect the wires of the top cover (C) to the wires on the wall through the terminal block (B). Then, align the holes of the top cover (C) with those of the mounting plate (A) and tighten the screws. Finally, attach the magnet (D) to the spotlight (E).
