

Warning:

This product must be installed by personnel who are familiar with its structure and related hazards, in accordance with the installation specifications. This product is suitable for indoor installation.

Steps of installation

Attach the mounting plate to the ceiling.

Align the holes of the top cover with those of the mounting plate, and tighten the screws.

Product style diagram

Connect the wires of the top cover to those of the ceiling using the terminal block.

Align the holes of the lampshade with the threads of the lamp base, and tighten the nut.

First, insert the bulb (F) into the lamp base (E). Then, pass the wires of the lamp base (E) through the lamp cover (D), and fix it onto the top cover (C), tightening the screws. Next, fix the mounting plate (A) to the ceiling. After that, use the terminal blocks (B) to connect the wires of the top cover (C) to the wires of the ceiling. Then, align the holes of the top cover (C) with those of the mounting plate (A), and tighten the nuts.
