

Warning:

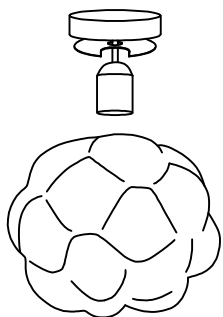

This product must be installed by personnel who are familiar with its structure and related hazards, in accordance with the installation specifications. This product is suitable for indoor installation.

Product style diagram

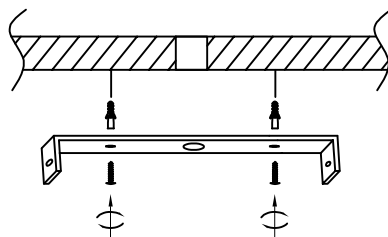

Steps of installation

1

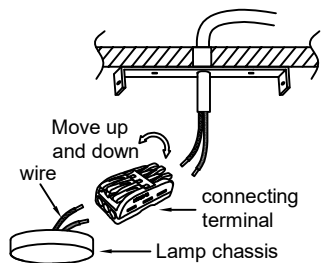

Place the lamp cap inside the glass lampshade and secure it in place.

2

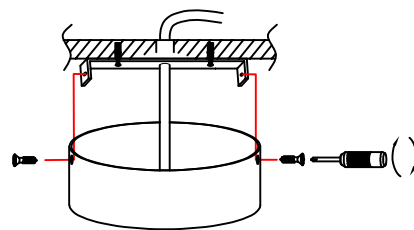

Attach the mounting plate to the ceiling with self-tapping screws.

3

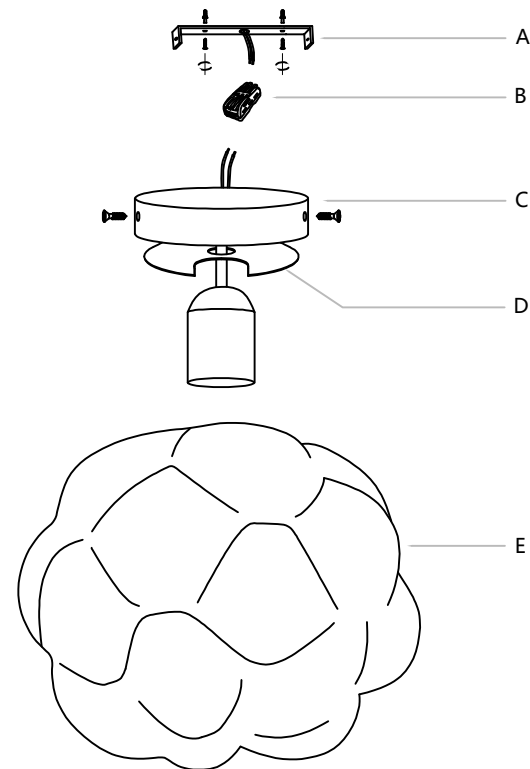

Connect the wires inside the luminaire and ceiling to the terminal, usually neutral wire (white), hot wire (black)

4

Align the holes on the top cover with the holes on the mounting plate, and then secure them with screws.

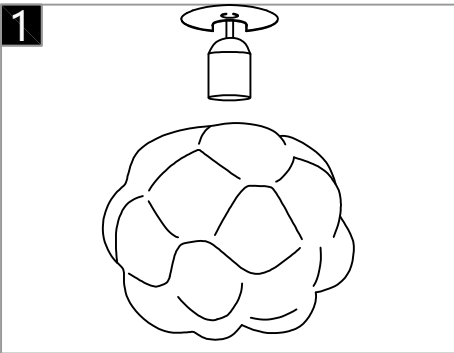

Place the lamp cap (D) inside the glass lamp (E) and secure it. Fix the mounting plate (A) to the ceiling. Then connect the wires on the ceiling and the top cover (C) to the terminal block (B). Align the holes on the top cover (C) with the mounting plate (A), and fix them in place with screws on the sides.
