

# INSTALLATION GUIDE - WM2044

1. Drill the mounting bracket into the ceiling with screws and even anchor bolts (these come with the light).
2. Use the wire connector to connect the wires of the light to the supply wires according to labels on the wires.
3. Align holes of the canopy with the mounting bracket and secure the canopy with screws.
4. Attach the leaves to arms with screws.
5. Attach the arms to the holder with nuts.
6. Screw the cover up onto the holder.
7. Screw the included bulbs up into the arms.
8. Screw the lampshades up.
