

Warning:

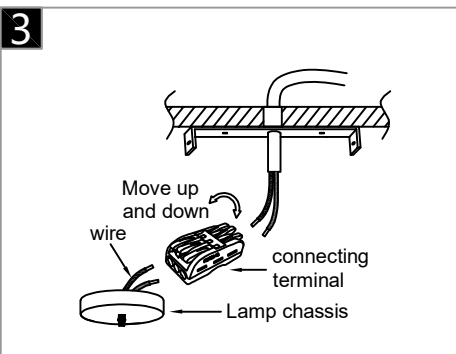

This product must be installed by personnel who are familiar with its structure and related hazards, in accordance with the installation specifications. This product is suitable for indoor installation.

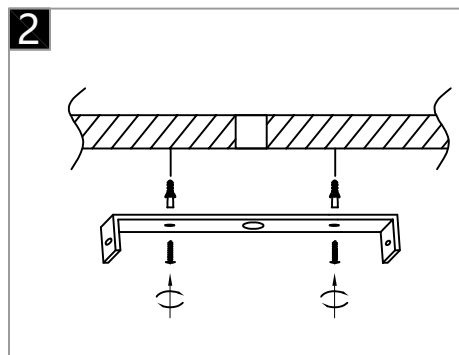

Product style diagram

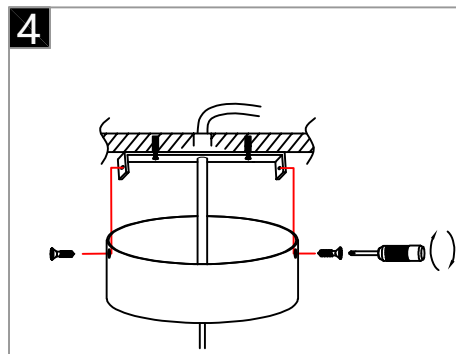

Install the lampshade petals onto the lamp head, and then tighten them with the lamp head ring.

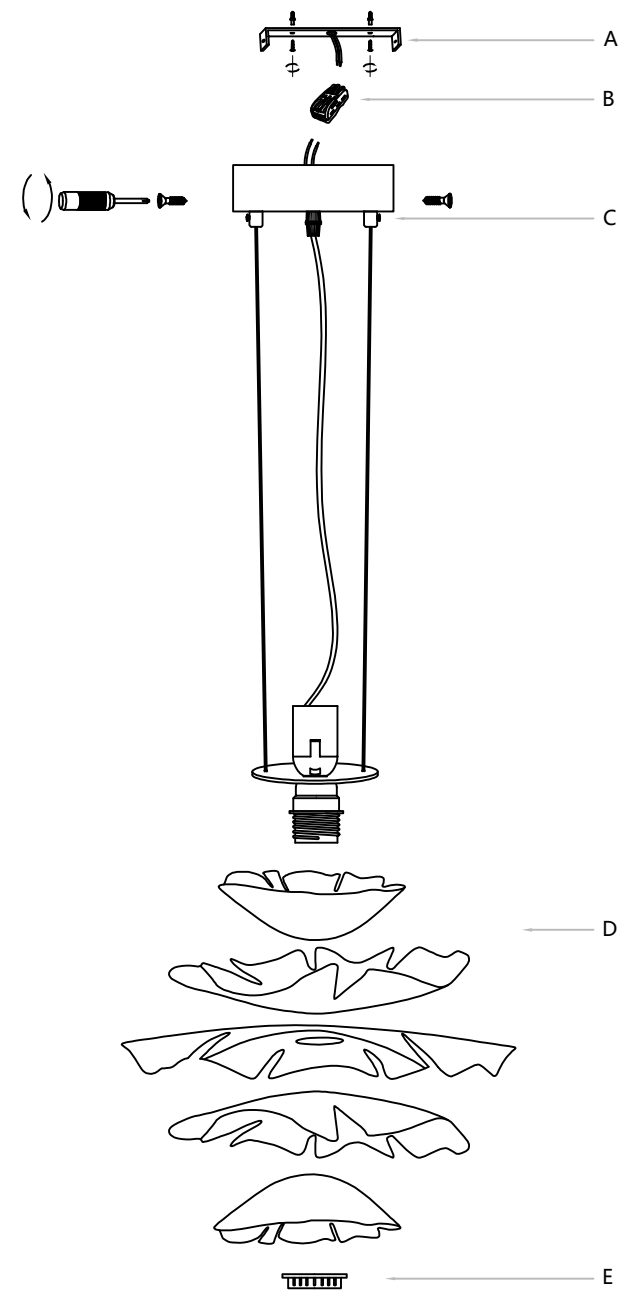

Connect the wires to the terminal blocks. Usually, the neutral wire (white) and the live wire (black).

First, fix the expansion screws onto the ceiling, and then lock the mounting plate onto the screws.

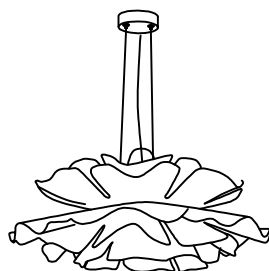

Align the holes on the top cover with the holes on the mounting plate, and then secure them with screws.

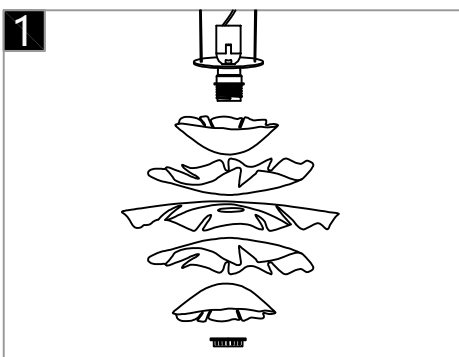

Install the lampshade petals (D) onto the lamp head, and then tighten them onto the lamp head using the lamp head ring (E). Then, fix the mounting plate (A) to the ceiling. Next, connect the wires reserved for the top cover (C) to the wires on the ceiling and then to the terminal block (B). Then, align the holes on the top cover (C) with the holes on the mounting plate (A), and tighten the screws.
