

# INSTALLATION GUIDE - WM2335

1. Attach the bridges to holder with the tube and longer screws.
2. Put each piece of glass shades into the channel of bridges and fix them with the square covers and shorter screws.
3. Drill the mounting bracket into the ceiling with screws and even anchors (these come with the light).
4. Use the wire connector to connect the wires of the light to the supply wires according to labels on the wires.
5. Align the canopy holes with the mounting bracket and secure the canopy with screws.
