Product style diagram

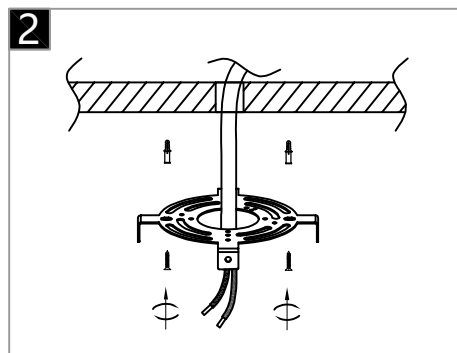

Steps of installation

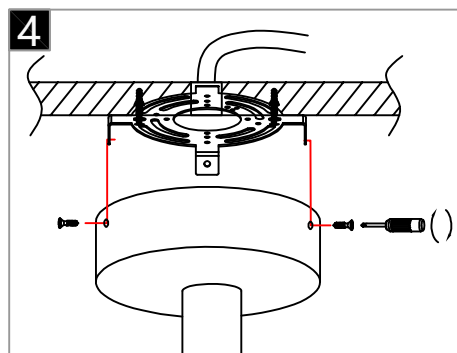

Use a straight rod with hooks to hang the lamp on the bottom cover. Install the lamp as a whole onto the ceiling, and then screw the glass sheet onto the lamp.

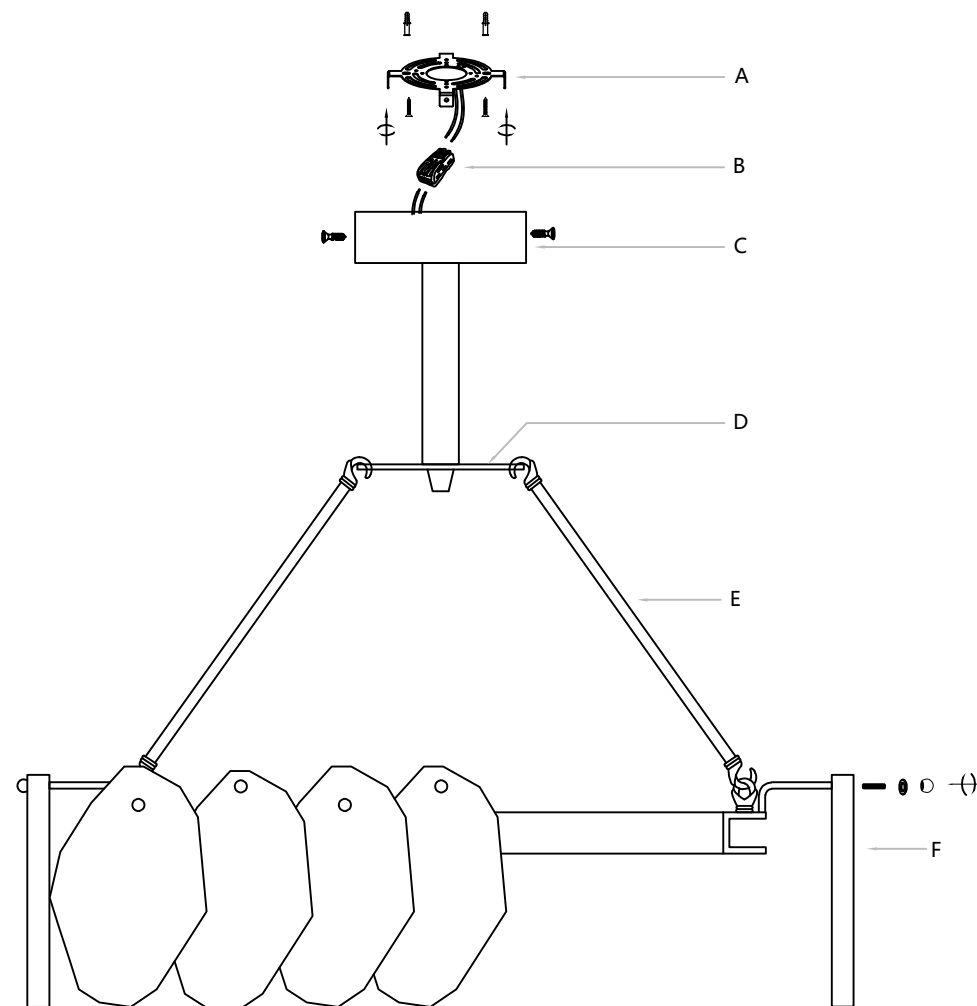

Connect the wires inside the luminaire and ceiling to the terminal, usually neutral wire (white), hot wire (black)

Install the T-shaped bracket onto the main body of the lamp, and then secure it with screws.

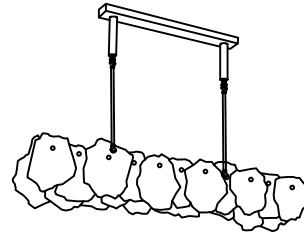

Align the two holes on the top cover of the lamp with the holes on the installation plate on the ceiling, and then secure them with screws.

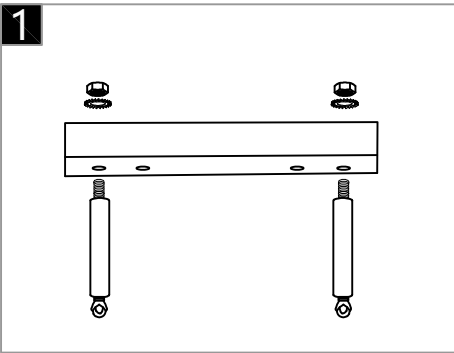

Use the straight rod with hooks (E) to hang the lamp on the bottom cover (D). Install the lamp as a whole onto the ceiling, and then screw the glass sheet (F) onto the lamp. Fix the mounting plate (A) to the ceiling. Next, connect the wires reserved for the top cover (C) to the wires on the ceiling, and then connect them to the terminal block (B). Then, align the holes on the top cover (C) with the holes on the mounting plate (A), and tighten the screws.

Steps of installation

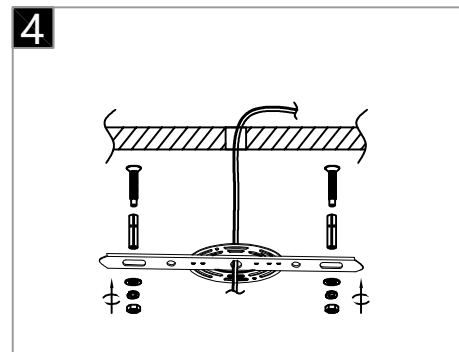

Install the threaded connecting rod onto the top cover.

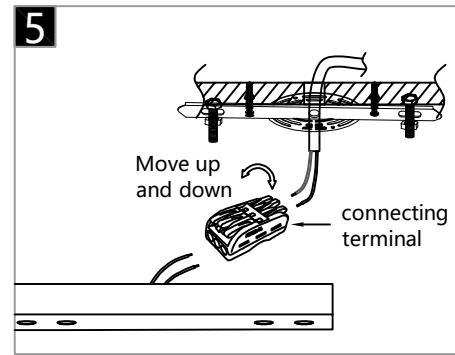

Fix the marble decorative pieces onto the lamp using screws and washers.

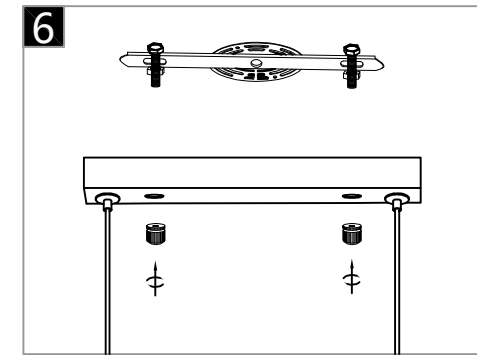

Pass the wires on the lamp through the double hook of the connecting rod and insert them into the top cover. Then, hang one end of the double hook of the connecting rod onto the lamp and the other end onto the threaded connecting rod.

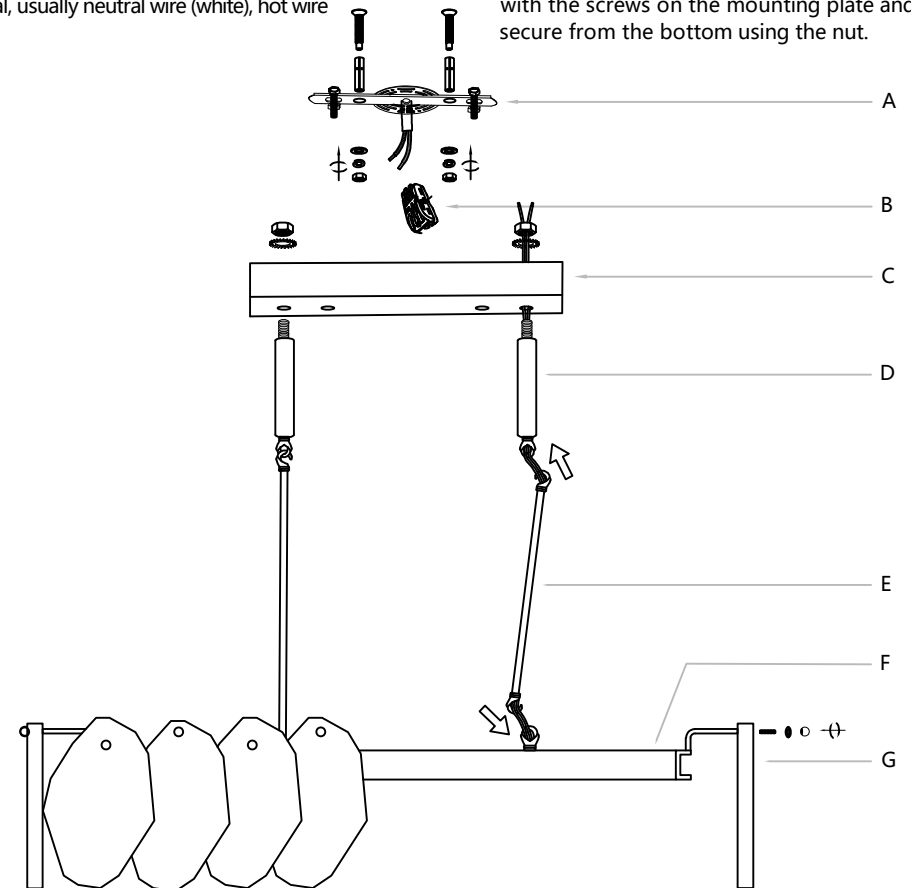

fix the expansion screws onto the ceiling, and then lock the mounting plate onto the screws.

Connect the wires inside the luminaire and ceiling to the terminal, usually neutral wire (white), hot wire (black)

Align the top cover hole position on the luminaire with the screws on the mounting plate and then secure from the bottom using the nut.

First, install the threaded rod (D) onto the top cover (C). Then, pass the wires from the lamp (F) through the two-ended hook connecting rods (E) and insert them into the top cover (C). Finally, hang the two-ended hook connecting rods (E) onto the lamp (F) and the threaded rod (D), install the lamp ring (D) on the top cover (C), then tighten the screws. Next, fix the mounting plate (A) to the ceiling, then connect the wires of the top cover (C) to the wires on the ceiling and to the terminal block (B). Then align the holes on the top cover (C) with the holes on the mounting plate (A), and tighten the screws, Finally, use screws and washers to fix the marble decorative piece (G) onto the lamp (F).
