Product style diagram

Steps of installation

1

Attach the mounting plate to the ceiling with self-tapping screws.

2

Connect the wires inside the luminaire and ceiling to the terminal, usually neutral wire (white), hot wire (black)

3

Align the holes on the top cover with the holes on the mounting plate, and then secure them with screws.

4

Finally, an acrylic cover is used to install the glass lampshade onto the lamp head.

Fix the mounting plate (A) to the ceiling. Next, connect the wires reserved for the top cover (C) to the wires on the ceiling, and then connect them to the terminal block (B). Then, align the holes on the top cover (C) with the holes on the mounting plate (A), and tighten the screws. Finally, an acrylic cover is used to install the (F) glass lampshade (E) onto the lamp base (D).

Warning:

This product must be installed by personnel who are familiar with its structure and related hazards, in accordance with the installation specifications. This product is suitable for indoor installation.
