

Installation Instructions

WOMO® Lighting

Model number: WM3009-A

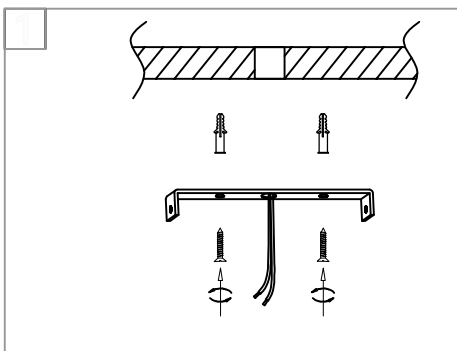

Warning:

This product must be installed by personnel who are familiar with its structure and related hazards, in accordance with the installation specifications. This product is suitable for indoor installation.

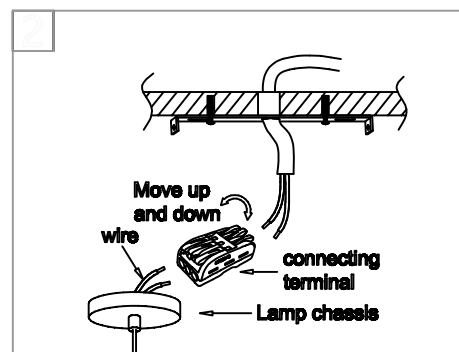

Product style diagram

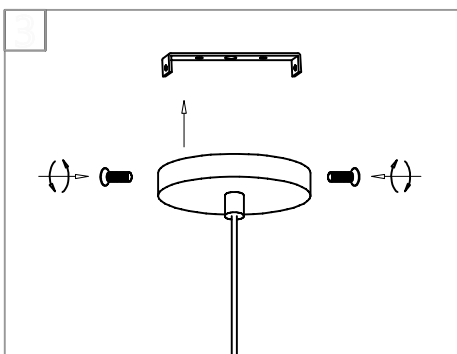

Steps of installation

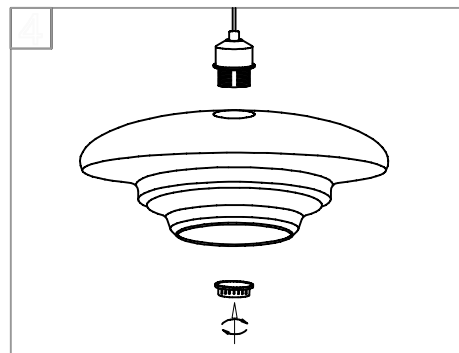

Install the mounting plate onto the ceiling.

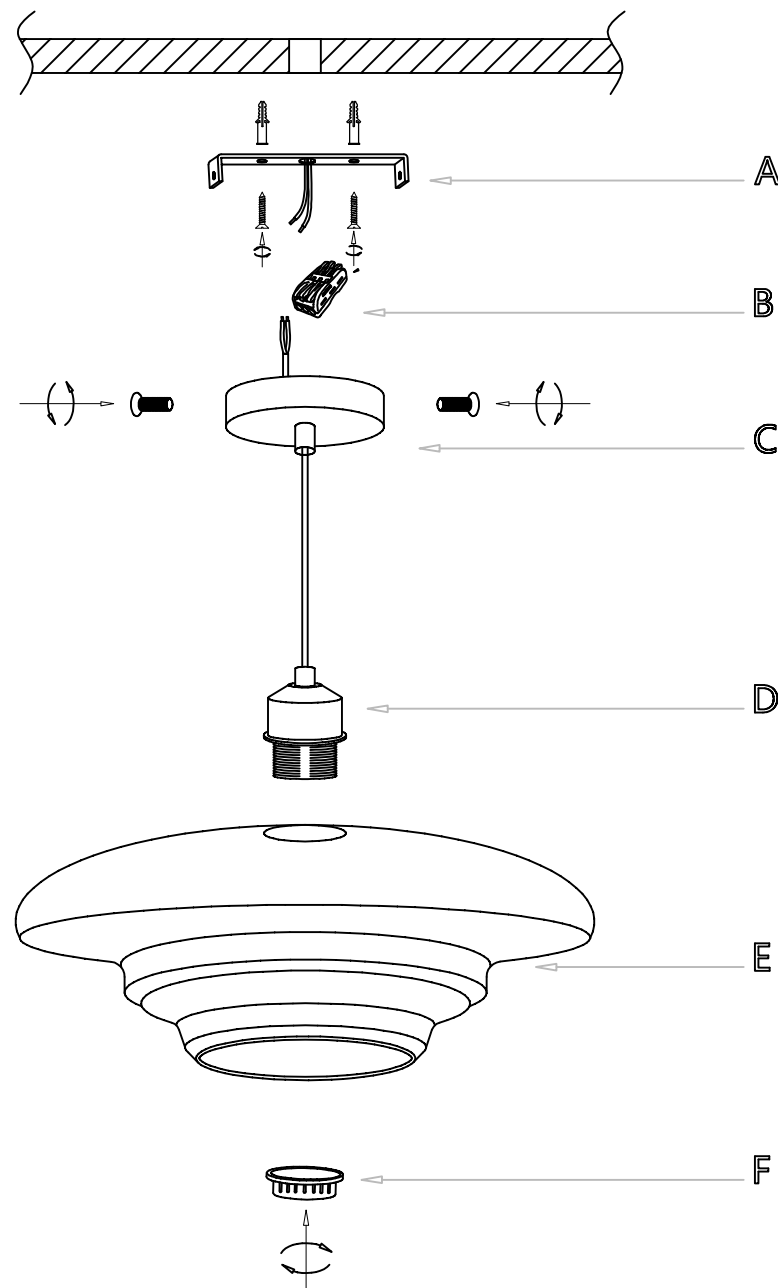

Thread the wires through the locking head of the disc, adjust the length, tighten the screws, and connect the wires on the terminal block to the wires on the ceiling.

Align the holes on the lamp body disc with the holes on the mounting plate, and tighten the screws.

Align the holes on the lampshade with the threads of the lamp base, tighten the nut, and finally install the bulb onto the lamp base.

First, fix the mounting plate (A) to the ceiling. Then, using the quick connector (B), connect the wires on the disc (C) to the wires on the ceiling. Next, align the holes on the disc (C) with the holes on the mounting plate (A), and tighten the screws. Then, align the holes on the lampshade (E) with the threads of the lamp base (D), tighten the nut (F), and finally install the bulb onto the lamp base (D).
