INSTALLATION GUIDE - WM6103

Connect L indicator
to black or white wire

L N   E

Connect N indicator
to black or white wire
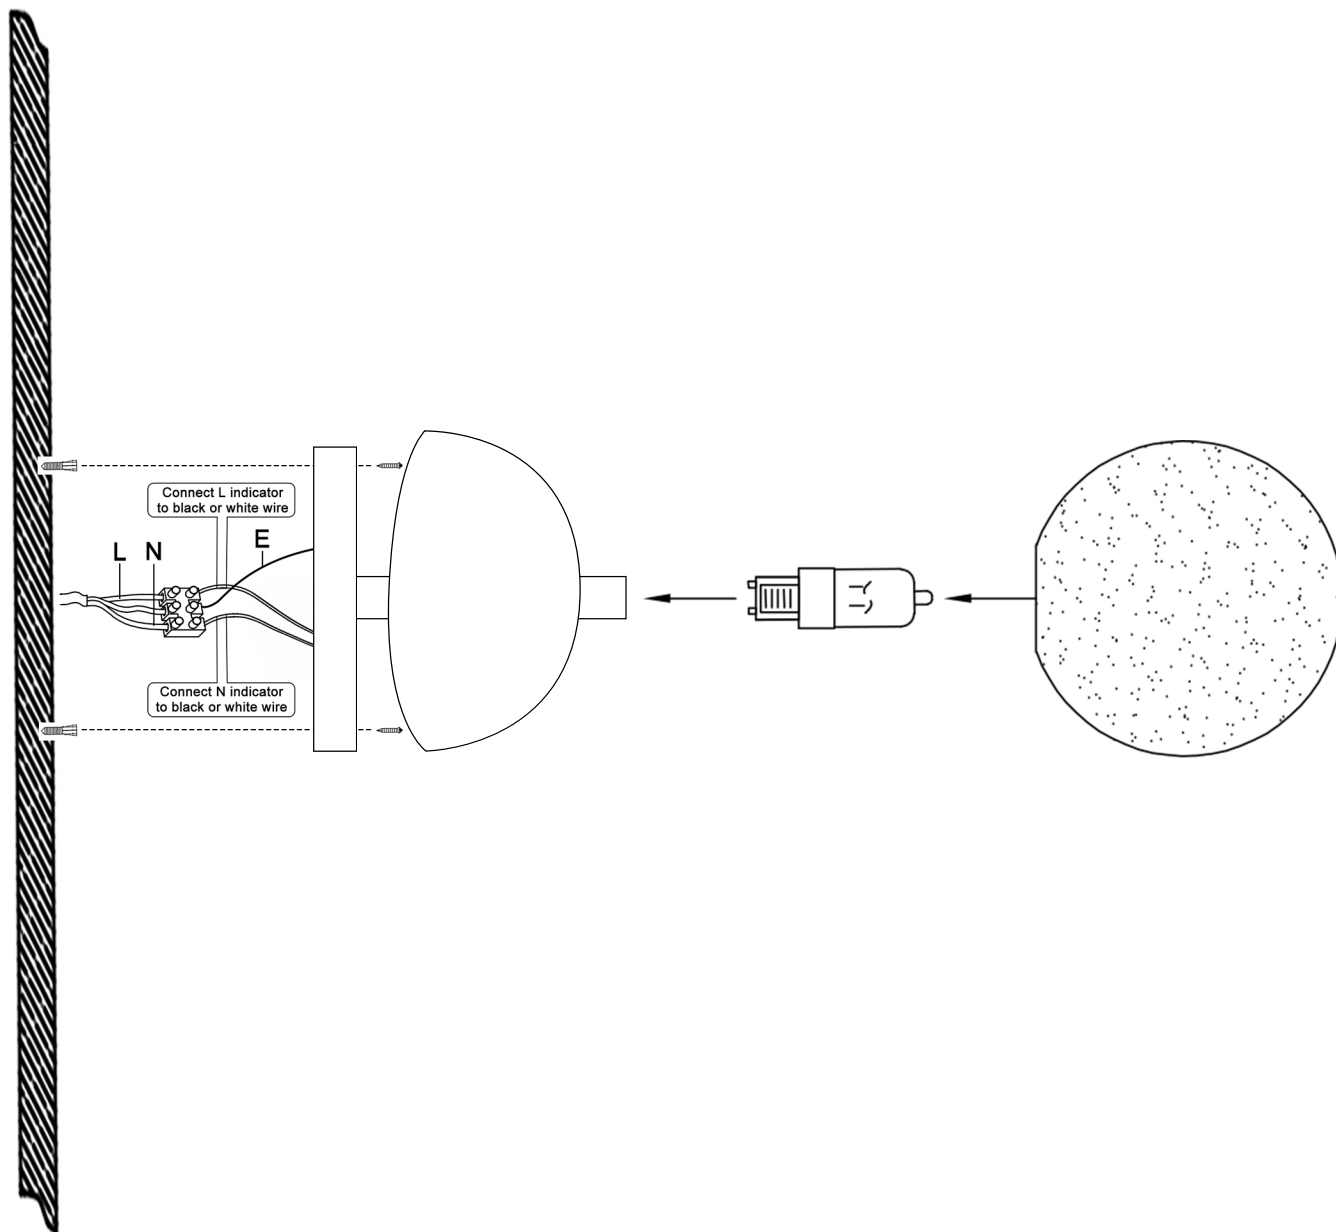

1. **Drill the base into the wall with screws and even anchors.**

2. **Use the wire connector to connect wires of the light to the supply wires as indicated on the labels.**

3. **Attach the cover to the base with the nut removed from the base.**

4. **Turn the glass globe down to the base and flip on the light switch to test your light.**
